Budget Workshop

3/30/2020

A Budget Workshop was held on Monday, 3/30/19, at 3pm by the Village Board. This meeting was held in accordance with Executive Order #202, Article 7 of the Public Officers law, which allows for the use of a recorded conference call for a public meeting held during the COVID-19 Virus pandemic.

Roll Call: Attending the meeting were the Honorable Mayor O'Connor, Trustee Suffredini, Trustee Marquart, Trustee Butlak, and Trustee Boise.

Call to Order: Mayor O'Connor called the Budget Workshop to order stating that before the Budget Workshop begins, there is one proposed resolution regarding the Families First Coronavirus Response Act, which included a temporary expansion of the FMLA and emergency paid leave provisions scheduled to go into effect by April 1, 2020. Since the Village recognizes that its emergency responders may be called on to deliver critical emergency services to the Village's residents and businesses, effective immediately the Village will exempt and exclude its emergency responders. Therefore, he requested a motion on the proposed full resolution.

Motion by Trustee Boise, seconded by Trustee Butlak to adopt the proposed resolution, as written, to exempt and exclude emergency responders from the temporary expansion of the FMLA and emergency paid leave provisions of the Families First Coronavirus Response Act. All voted aye, carried.

Mayor O'Connor then stated that the purpose of this budget workshop was to review the proposed Village Budget for Fiscal Year 2020-2021.

Village Administrator, Don Northrup, facilitated the review of the proposed budget. No changes were made. The proposed budget will be labeled as the tentative budget for the public hearing scheduled for 4/13/2020 at 7pm. A public notice showing the summary of the Fiscal Year 2020-2021 Budget, along with call-in information and how to make a public comment, will be published in the Village newspaper. Additionally, tentative budget information will be available to the public.

No public comments could be made at this time. However, an audio recording of this Budget Workshop was made available as a link to the Village's website.

Motion by Trustee Marquart, seconded by Suffredini to close the Budget Workshop. All voted aye, carried.

Respectfully submitted by

Donald Northrup
